

FIS Pigtail Gold Tipped Ferrule

FIS gold tipped pigtails are available for applications requiring a referenced back reflection. Available in ST, FC, and SC style connectors. For singlemode applications the reflective quality of the gold provides high back reflection characteristics at 1310nm and 1550nm.

Reflectance Curve

Available Styles:

FC	pn# F1-1080-FC
FC/APC	pn# F1-1080-FCA
SC	pn# F1-1080-SC
SC/APC	pn# F1-1080-SCA
ST	pn# F1-1080-ST

Fiber Type:	9/125 SMF-28
Jacket Diameter:	2.9mm
Length:	1 meter + 3"/-0"
Operating Temperature:	-20 C to +70 C
